- If your application is accepted, you will be notified by email.:
- Your payment, whether by ACH bank transfer or credit card, will then be processed. Note that paying by credit card entails a 3.25% fee so we recommend using ACH (\$10 fee).
- You will also need to upload to Dockwa the same documentation as in the past:
 1. Copy of your current registration.
 2. Copy of proof of liability insurance naming the Seaview Association of Fire Island, N.Y., Inc. c/o Robert Friedman, 16 West 77 St. apt 9E, New York, NY 10024, **as an additional insured** (liability coverage no less than \$300,000) you will be required to keep this in force for the entire season.
- For those who won't have all the necessary documents or are considering purchasing a new boat, the missing **documentation will need to be received at least a week prior to bringing the boat to the basin and ideally before May 1st.**
- If you are a Seaview homeowner, all current and past Seaview Association dues and charges must be paid prior to bringing your boat into the basin.
- Note that any *arrears* due for Seaview Association charges (including Boat Basin) must be cleared up before your application can be accepted.

2024 Seasonal slip prioritization:

1. Seaview homeowners in good standing* who had slips in 2023 applied by **January 1, 2024.**
2. Seaview homeowners in good standing* who did not have a slip in 2023 but applied by **January 1, 2024.**
3. Non-Seaview prospective seasonal slip renters who submit full application by **January 1, 2024. Please note that the Seaview Association reserves the right to accept or reject applications regardless of past renter status.**
4. Seasonal slip applications received after January 1, 2024 will be reviewed in the order received, but priority will be given to Seaview homeowners.
5. The Association reserves the right to limit the renting of more than 1 slip per household if demand exceeds supply.

**good standing for purposes of renting a slip means a homeowner must have all Association charges and other obligations due by 1/1/24 paid in full in order to have the application processed and accepted. Additionally, the Seaview Board of Directors may prohibit renting to past slip renters who have violated our Rules and Regulations. All 2024 charges must be paid in full prior to accessing the Boat Basin.*

Acceptance of applications and assignment of slips is at the Association's discretion and subject to available space. Because the slips vary in capacity, it is possible that all boats of a specific dimension may not be accommodated even though there are empty slips available for lower priority categories.

Specific slip assignments will be made by the dock master and are subject to change.

We are also attaching a copy of the Seaview Boat Basin Rules & Regulations for 2024. This will be part of the contract, so please review it and keep a copy for future reference.

Anticipated Timeline (subject to change):

- December 6, 2023 2024 applications e-mailed to all 2023 seasonal slip holders and posted on the Seaview website.
 January 1, 2024 **Application must be submitted on-line by this date *in order to receive "past renter" and/or homeowner priority.***
